Savita sat on the dining table with her mother on one side and aunt on the other. Her dad and Raj's father were sitting on the other side of the table. They all were having dinner. Savita's wore a pink Salwar Kameez that fitted tightly across her bust.

"So Kunal called me up and said that his son will be coming to our city due to some work."-"I've asked him to stay with us while he's here." said her father suddenly.

"Okay, I'll clean up the guest bedroom for his visit." replied Savita's mom.

"Mom, who is Kunal uncle?" asked Savita suddenly curious about their new guest.

"Don't you remember him? He used to be your father's college room-mate. He and your father were very close friends." replied her Mom.

"Ohhh you mean Kunal chacha! He used to get me those tasty cream filled chocolates."-"I've never met his son though. I wonder what he's like." said Savita and smiled.

Suddenly Raj's mom got a surprised look on her face and turned to look towards Savita's mom.

"But bhabhi, we'll be busy with the preparations for the Puja we're organizing in the locality."-"and our husbands will be at work. It would be rude if we left him alone in the house."

"Oh you are right. In that case Savita will stay at home every afternoon with Rajesh." replied Savita's mom after a while. Savita however choked on her food when she heard this suggestion.

"Oh no! I won't be able to go to Ankit's house every day."-"and we were planning on having fun alone in his house while his parents are away." whined Savita but her parents had already made the decision and she knew that there was nothing more she could say to persuade them to change their minds.

The Next Day

When Rajesh came over the next day Savita was pleasantly surprised to see him. He was a 25 yrs old guy, a little dark skinned but muscular and fit with a french beard. He had just finished shaking hands with Savita's father who is wearing a kurta pajama white. Raju was looking really handsome wearing a shirt and trousers. He was shaking Savita's dad's hand.

"I'm glad I finally got to meet you uncle. I've heard so much about you from my Dad!"

"You too Rajesh. I remember the last time I saw you when I came to Delhi; you were only six years old."

Savita was already smitten by this handsome stud. She called out to him in a sexy voice.

"Dad, Aren't you going to introduce me to Rajesh Bhaiya!" called out Savita from behind her dad.

However when Rajesh turned his face to look towards Savita he literally did a double take in surprise.

"WoW" was the only thought running through his mind when he saw the sexy Savita dressed in a low cut, tight fitting dress that hugged her body.

Both's minds were racing full of naughty thoughts as they shook hands. She had one hand on her hips and she had a naughty grin on her face.

"Wow he's a total hunk..." thought Savita with a smile and bit her lip."

Wow what a babe! I can't even pull my eyes away from those sexy breasts. She's totally my type." said Raj while he tried hard to tear his eyes away from Savita's luscious breasts.

Both were just standing there shaking hands when suddenly Raj's mom impatiently patted Savita on the shoulder.

"What are you standing her daydreaming for Savvi? Introduce yourself to Rajesh bhaiya properly?" said Aunty.

"Oh yes..." said Savita and smiled shyly.

Raju however was still looking downwards towards Savita's ample cleavage which was clearly visible. Savita noticed where his gaze pointed at and smiled inwardly.

"So where are my cream filled chocolates bhaiyabhaiya!"-"Your dad always brought one box for me when he visited us." asked Savita with a mischievous smile.

"Ohh...errr...sorry ... I'll get one for you tomorrow Savvi!" said Raj finally brought out of his fantasies by her voice.

Savita's mom then ushered Savita and Rajesh upstairs and asked Savita to show him his room so he could freshen up.

Soon...

Savita was in the kitchen with her mom. Her mom was placing a steaming hot bowl on the stove and looked sideways towards Savita.

"Go up and check up of Rajesh. Tell him dinner will be ready in about 15 minutes." said her mom.

"Okay mom..."

As Savita walked into his open room she heard the sound of the shower running inside the bathroom. The bathroom door was ajar and she thought mischievously while looking towards it.

"(giggle) BhaiyaRajesh is in the shower...I've got an idea!"-"I'll hide behind this big curtain to the balcony and then scare him when he comes out." thought Savita with a naughty smile on her face.

She soon hid behind a big curtain with a sliver of light falling on her face.

"I heard the shower stop. He must be coming out soon...." thought Savita and grinned.

However when Rajesh walked out of the shower Savita was the one in for a surprise. Her eyes were wide open in shock.

"Oh my god....What is he doing?" thought Savita with her eyes bugging out of her face.

Raju had just walked out of the bathroom completely naked and sat down on the edge of the bed. His big cock was erect and 8-9 inches long. He sat there stroking his cock while Savita was hidden just a couple of feet away from him.

"Can't go down with hard-on like this..." -"Mmmm... but I can't get the sight of Savita's big melons out of my mind..." moaned Raju while jacking off his cock.

"I can't believe bhaiyahe is jacking off while thinking about me!"-"But how can his cock be so big? It must be at least 9 inches." thought Savita with her eyes glued to his huge cock. Savita had never seen another cock this big before and she looked on lustily as Raju jacked off to a fantasy of him fucking Savita. He was calling out her name and moaning about how hard he was going to fuck Savita. Savita bit her lips and looked on lustily at this handsome stud jacking off just in front of her. Her hands slowly began touching her own body and soon she too was fingering her pussy and pleasuring herself silently behind the curtain.
